OUR GUARANTEE - Warranty + 1

If ECOMED Technical receives back a Service Exchange Cable/Transducer under warranty, we will replace the warranty unit and exchange a second unit of your choice FREE OF CHARGE. This offer will remain valid for all service exchange units ECOMED Technical supplies to you from this day forth.

Please request "Warranty + 1" with returned goods to validate this offer. To receive a second unit FREE OF CHARGE, please send a second faulty unit with your warranty unit.

Send your transducers for service exchange to: Unit 4, 30 Foundry Road, Seven Hills, NSW, 2147
